OCEESA Profile

Overseas Chinese Environmental Engineers & Scientists Association (OCEESA) is a non-profit organization incorporated in the State of Ohio in 1980, it holds tax exempt status under sec 501(c)(3) of IRS Code. OCEESA is devoted to promote academic and professional excellence and networking in environmental science. OCEESA members work and reside throughout the USA, Canada and in many countries of Asia. In 1988, OCEESA became a chapter of the Chinese Institute of Engineers/USA to affiliate with other Chinese American professional organizations.

OCEESA Officers & Board of Directors

President	Dr. Tsen C. Wang	Harbor Branch Environmental Lab
Vice President	Mr. Anmin Liu	AML Environmental Engineering Consultants
Secretary/Treasurer	Dr. Abraham Shou-Chien Chen	Battelle Memorial Institute
Director (2000-2001)	Dr. Ruth R. Chang	California Environmental Protection Agency
	Dr. I-Ming Chou	U.S. Geological Survey
	Dr. Frank H. Wu	Integral Energy and Environmental Engineering
Directors (2001-2002)	Dr. Chein-Chi Chang	District of Columbia Water and Sewer Authority
	Mr. Edward T. Chen	Houston Department of Solid Waste Manage
	Dr. Lee-Hua Miaw	Spectra-Probe, Inc.
Ex-Officio:	Dr. Chang L. Lin	Canlin Trading & Consulting
Executive Director:	Dr. Yung-Tse Hung,	Cleveland State University

Advisors: Dr. Shoou-Yuh Chang Dr. John C. P. Huang Dr. Wen-Chi Ku Dr. Thomas T. Shen
 Dr. Don Tsye-Lang Tang Dr. Ching-Tzone Tien Dr. Jen-Tai Yang

Assistant Executive Director: Dr. Howard H. Lo, Cleveland State University

Membership: Regular member \$25 per year, Student member \$15 per year, Corporate member \$100 per year.
