

**Celebrating OCEESA's 40th Anniversary with  
Membership Promotion**

*Celebration!*

Oversea Chinese Environmental Engineers and Scientists Association (OCEESA) is one of the leading non-profit organizations in promoting academic and professional excellence and networking in environmental science and engineering. During the past few decades, OCEESA has organized Mainland-Taiwan Environmental Protection Conference (MTEPC) and awarded best student papers. Also, OCEESA has participated in organizing Sino American Technology and Engineering Conference (SATEC), Modern Engineering and Technology Seminar (METS), Asia American Engineers of the Year Award (AAEOY), and other meetings and conferences.

To celebrate 40 years (1980 – 2020) of fulfillment of the vision and mission of OCEESA in providing education, training, and information exchange for environmental professionals, OCEESA invites interested individuals to join as *a Life Member on a discounted membership fee of US\$100 and free for students.* This promotion ends December 31, 2021.

Please go to the [Member Center](#) of OCEESA web site ([www.ocessa.org](http://www.ocessa.org)) to sign up.

Benefits and obligations of student member and life member:
